# Problem Overview

New students struggle because they can't find past-year papers, authentic tips, and reliable senior guidance

# Problems Faced by First-Year Students

- Hard to find past-year papers
- Uncertain how to earn merit marks
- Don't know study tips for quizzes/assignments
- Feel shy or scared to disturb seniors

# Problem Statement

First-year students need a reliable academic support system because they struggle to access senior knowledge on their own

# Features

In

# BuddyUp

## Main Features

- Research Hub
- Mentorship System
- Support Tools
- Recognition System

## Secondary Features

- Filtering & Matching Preferences
- Discussion Forums
- Profile Badges
- Safety & Verification

# Main Features

## Research Hub

Access to reliable study materials

## Recognition System

Reward for seniors
